

TrueConf License Manager

TrueConf Enterprise add-on that automatically distributes licenses between multiple servers based on the video conferencing usage and individual set of parameters for each TrueConf Server instance.

Shared License Manager

License usage

	License count	Shared count
Not used	100	100
Used by the server	1	0
Used by connected servers	0	0
Available for use	0	0

Shared License Distribution

License:

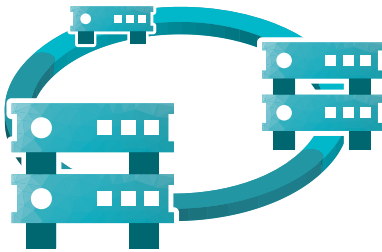

Click on a cell to show licenses only for the group from the list

Server name	License count	Shared count	Available for use	Used by connected servers

Total	6000	0	6000	0

- Allows to add more TrueConf Server instances without the need to buy separate licenses
- Automatic license balancing
- Save money by paying only for those licenses which are being used

TrueConf Enterprise

Allows customers to effectively manage and scale video conferencing infrastructure across large, complex organizations at an affordable price.
