from 250 to 299	€135	€45	€65	€20
<p><i>The license for 300+ online users can only be purchased as a part of TrueConf Enterprise. TrueConf Directory and TrueConf License Manager extensions are included in TrueConf Enterprise package by default. Licensing is possible only on a lifetime basis. We do not provide academic discounts for TrueConf Enterprise. The price depends on the number of online users and the number of server instances. Please contact us for a more detailed price quote.</i></p>
